## Mint Add Accounts and Update Your Data

**NOTE:** You must obtain an Online Banking login from F&M Bank to use this service. Contact us at (309) 343-7141 for assistance.

## How does it work?

Mint connects to your data through your financial institution's website. You'll enter the same credentials in Mint that you use to log into your bank's online banking webpage.

## Set up a Financial Institution Account

If you have never used Mint to connect to our bank:

- 1. Go to Mint.com and log in.
- 2. The account setup process will start automatically.
