

Remote Deposit Capture

No more trips to deposit checks

Instead of making trips to deposit checks, what if you could bring the bank to your business? That's what happens with Remote Deposit Capture from F&M Bank.

Now you can deposit checks directly from your office. That saves money, fuel and your valuable time. And it lets you stay focused on your business.

Remote Deposit Capture lets you:

DEPOSIT

checks quickly and easily
from your business

IMPROVE

cash flow by receiving
funds faster

PROTECT

check deposits by
securely processing them

SAVE

time and money with
fewer trips to the bank

Remote Deposit Capture allows you to scan and deposit checks securely from your computer using a check scanner. That means easier deposits for you, more time for business and better cash flow for your business. So bring the bank to your business with Remote Deposit Capture.

How much can you save?

Use our calculator to see how much time and money your business can save every month.

Mileage to/from the bank

Average time making a deposit, in minutes

Trips to bank per week

Employee hourly wage, including cost of benefits

Mileage rate

Total monthly expense for transportation and labor _____
