

The Farmers and Mechanics Bank ONLINE BANKING AGREEMENT

This Online Banking Agreement, including, as applicable, any related Enrollment Form, the signature card, rate and fee schedule, and any applicable Deposit Account Agreement, Service Agreement, and other instructions and the terms and conditions contained herein relating to specific Online Banking and Cash Management Services (collectively, the “Services”) that may be provided in connection herewith (collectively, this “Agreement”), sets forth the terms and conditions governing the provision of the Services by The Farmers and Mechanics Bank (“Financial Institution,” “we,” “our,” “ours”) to you or anyone authorized by you (collectively, “Client,” “you,” “your,” “yours”) and describes your and our rights, responsibilities and obligations. The Enrollment Form for Services is made an integral part of this Agreement. By completing and submitting the Enrollment Form, and/or using one or more of the Services, Client agrees to, and shall be bound by, the terms, conditions and provisions in this Agreement, including those for each Service which Client has selected. Financial Institution, in its sole discretion, may elect not to permit Client to use the Service until Financial Institution has determined that Client has accepted or executed the applicable documentation and otherwise provided appropriate information and specifications for the use of the Service, and until Financial Institution has had a reasonable opportunity to review the Enrollment Form and activate the Service. In any event, Client agrees that the use by Client of any Service shall, without any further action or execution or acceptance of any documentation on the part of Client, constitute Client’s acceptance of and agreement to Financial Institution’s terms and conditions for the use of such Service as may be in effect as of the time of such usage, whether set forth in this Agreement, any applicable Service Agreement or otherwise prescribed by Financial Institution. In the event of a conflict between the terms of this Agreement and those of any Enrollment Form or Service Agreement, the terms of the Enrollment Form or Service Agreement, as applicable, shall govern and control with respect to the Service at issue. Capitalized terms not otherwise defined in the Agreement are defined in Exhibit B at the end of the Agreement. In order to activate the Service, you must have at least one Account with us linked to the Service.

Therefore, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, you and Financial Institution, intending to be legally bound, do hereby agree as follows:

Article I. Setup and Use of Online Access Services.

1.1. Eligibility. To have access to the Services you must be an authorized user of the Software you select, if required for use with your selected Hardware (as defined in Section 1.4, below). You must also have at least one Eligible Account (as defined below) with us. Accounts which are "linked" under the Services will have one common owner and signer. Any signer, acting alone, must be authorized to access a linked account. Any non-linked account will not be accessible through the Service. ID(s) and Password(s) collectively are referred to as the “Access Codes”. For Internet Banking (also known as “Personal” Online Banking), you must designate a User ID and Password which will be required to gain access to the Service. For Business Online Banking, prior to your first use of a Service, the Financial Institution will assign you a Company ID, Company Password, and User ID and User Password, required to gain access to Business Online Banking. The Business Online Banking system will ask you to change your Passwords the first time that you use the system.

“Eligible Accounts” include the following:

1. Checking (Demand Deposit) Accounts
2. Savings Accounts
3. Money Market Accounts
4. Loans
5. Certificates of Deposit

1.2. Security Procedure. The use of the Access Code, in addition to other authentication methods described below, is a security procedure established by Financial Institution to authenticate the identity of the person attempting to gain access to the Service. The security procedure is not designed for the detection of errors. We may require you to change your Access Code from time to time for security reasons. You should keep your Access Code in a secure location. Any person having access to your Access Code will be able to access these Services and perform all transactions, including reviewing Account information and making Transfers to other Accounts and to other persons. **You are solely responsible for safeguarding the Access Codes. Providing these Access Codes to another person effectively constitutes a grant of authority to access your accounts. You acknowledge that the Financial Institution has no liability whatsoever for any unauthorized use of your Access Code.**

1.2.1. You agree to comply with all security procedures Financial Institution directs you to use (collectively, “Security Procedures”), and you acknowledge and agree that the Security Procedures, including (without limitation) any Access Code, password, personal identification number, user identification technology, token, certificate, layered security, or other element, means, or method of authentication or identification used in connection with a Security Procedure (“Security Devices”), constitute commercially reasonable security procedures under applicable law for the initiation of the Services you utilize, including without limitation, transfers and access to confidential information. You authorize us to follow any and all instructions entered and transactions initiated using applicable Security Procedures unless and until you have notified us, according to notification procedures prescribed by us from time to time, that any Security Device has been stolen, compromised, or otherwise become known to persons other than you or your representative(s) and until we have had a reasonable opportunity to act upon such notice. You agree that the initiation of a transaction or instructions using applicable Security Procedures constitutes sufficient authorization for Financial Institution to execute such transaction or instruction notwithstanding any particular designation by you of authorized persons or signature requirements identified on any signature card or other documents relating to your Account maintained with Financial Institution, and you agree and intend that the submission of transactions and instructions using the Security Procedures shall be considered the same as your authorized written signature in authorizing us to execute such transaction or instruction. You acknowledge and agree that you shall be bound by any and all transactions initiated through the use of such Security Procedures, whether authorized or unauthorized, and by any and all transactions and activity otherwise initiated by you, to the fullest extent allowed by law. You further acknowledge and agree that the Security Procedures are not designed to detect error in the transmission or content of communications or transaction initiated by you and that you bear the sole responsibility for detecting and preventing such error.

1.2.2. For Business Online Banking, you agree to appoint and designate an administrator (the “Administrator”) who will be authorized and responsible for creating and maintaining subsequent Access Codes and tokens on your behalf, including assigning and revoking access privileges for persons to use the Service (each, a “User”), and providing new and subsequent Security Devices to those Users. Financial Institution will provide Client’s designated Administrator, through United States postal mail and/or other delivery service selected by Financial Institution at Financial Institution’s option, with a Company ID, Company Password, User ID and User Password, and any tokens to be distributed by the Administrator to each User with respect to one or more of the Services. Client understands that the Administrator has the capability of providing administrative privileges identical to that of the Administrator to any User, including the ability to create and maintain subsequent User accounts and assigning and revoking access privileges. If these privileges are granted by the Administrator to a User, that User will also be considered an Administrator. Client acknowledges that any Administrator shall have the ability to control security levels such as Service access and Service transaction limits, including without limitation the ability to assign dollar amount limits to ACH origination. You also agree that the Administrator or any User shall also have the authority on behalf of Client to electronically accept and approve any and all agreements and amendments to agreements by and between Financial Institution and Client, including but not limited to this Agreement.

1.2.3. For Personal Online Banking, as the authenticated primary user of the Service for your Account, you have the ability to entitle another person or persons (each, a “Subuser”) with access to your online banking site and with certain authorities with respect to your accounts (“Shared Access”). Such Shared Access includes view-

only access, making transfers between designated accounts and initiating payments from designated accounts, granted individually or in combination. You have sole authority and control in sharing access with, managing and disabling Subusers and/or their respective authority. You authorize us to act on transaction instructions initiated under the credentials of a Subuser, just as if it was initiated under your credentials. When granting Shared Access, you assume total liability for any and all activities of a Subuser with respect to your accounts, and you agree to indemnify and hold us harmless against any claim arising out of a Subuser's breach of your agreement with said Subuser pursuant to Shared Access.

1.2.4. You agree to keep all Security Procedures and Security Devices protected, secure, and strictly confidential and to provide or make available the same only to your authorized representative(s). You agree not to disclose or provide any Security Procedures or Security Devices to any unauthorized person. You also agree that Users shall not share Security Devices with each other. Where you have the ability to change or modify a Security Device from time to time (e.g., an Access Code), you agree to change Security Devices frequently in order to ensure the security of the Security Device. You agree to notify us immediately, according to notification procedures prescribed by us from time to time, if you believe that any Security Procedures or Security Device have been stolen, compromised, or otherwise become known to persons other than you or your authorized representative(s) or if you believe that any transaction or activity is unauthorized or in error. In the event of any actual or threatened breach of security, we may issue you a new Security Device or establish new Security Procedures as soon as reasonably practicable, but we shall not be liable to you or any third party for any delay in taking such actions. You agree to indemnify, defend all claims, and hold Financial Institution harmless from any loss, damages, or expenses, including but not limited to attorney's fees and court costs, directly or indirectly caused by you, any User or Subuser, or your employees', or agents' failure to keep the Security procedures or Security Device confidential and secure.

1.2.5. You agree to notify us immediately, according to notification procedures prescribed by us from time to time, if the authority of any authorized representative(s) shall change or be revoked. You shall recover and return to us any Security Devices in the possession of any of your authorized representative(s) whose authority to have the Security Device has been revoked.

1.2.6. We reserve the right to modify, amend, supplement, or cancel any or all Security Procedures, and/or to cancel or replace any Security Device, at any time and from time to time in our discretion. We will endeavor to give you reasonable notice of any change in Security Procedures; provided that we may make any change in Security Procedures without advance notice to you if we, in our judgment and discretion, believe such change to be necessary or desirable to protect the security of our systems and assets. Your implementation and use of any changed Security Procedures after any change in Security Procedures shall constitute your agreement to the change and your agreement that the applicable Security Procedures, as changed, are commercially reasonable and adequate for the purposes intended.

1.3. Access. Services are generally accessible 24 hours a day, seven days a week, except that the Services may be inaccessible from time to time for system maintenance or connectivity or system interruptions outside of the reasonable control of Financial Institution. We are not liable under this Agreement or any applicable Service Agreement for failure to provide access due to a system failure or due to other unforeseen circumstances. We may modify, suspend, or terminate access to the Services at any time and for any reason without notice or refund of fees you have paid. The Financial Institution may change the terms and conditions of this Agreement or any applicable Service Agreement from time to time to conform with changes or advancements in our services, or as required by law or regulation. All such changes will be made according to the procedures outlined in Article VIII. Use of any Service after the effective date of such changes will constitute your consent to the changes.

1.4. Hardware Requirements. You acknowledge that you are responsible for selecting and providing a computer or mobile device with the necessary Internet capabilities (the "Hardware") in order to access the Services. You are and will remain solely responsible for the purchase, hookup, installation, loading, operation and maintenance of the Hardware, Software, and the Internet access service to your Hardware, and for all related costs. You are solely responsible for virus protection and maintenance of your Hardware. Financial Institution shall have no responsibility for failures, interruption or other defects in the Services, which are occasioned by incompatible, improperly installed or improperly maintained

Hardware or Software. The Financial Institution may add to, modify, or replace software programs used in conjunction with providing the Services under this Agreement or any applicable Service Agreement at its sole discretion and without notice. From time to time the Financial Institution may deem it necessary to hold training or retraining classes for you. For Business Online Banking, you agree that you will require appropriate personnel to participate in such training.

You may be charged data or messaging fees by your mobile devices provider. Not all Online Services may be available on all types of Hardware.

Article II. Online Access Services.

- 2.1. Available Services.** Information about available services through Online Banking may be obtained from our website at www.thefmbank.com, as may be modified from time to time. By using the Services when they become available, you agree to be bound by the terms and conditions contained in this Agreement or separate agreements covering these Services.
- 2.2. Restrictions; Limits.** In most cases you may use the Services to gain access to Eligible Accounts in which you have an unrestricted right to withdraw funds. However, the Financial Institution, as it may determine at any time and from time to time in its sole discretion, may deny Online Banking account access, restrict Online Banking account transactions, or place limits on the specific dollar amount of funds that may be withdrawn or transferred from any account without advance notice to you.
- 2.3. Vendor.** You acknowledge and agree that the Service may be provided by an independent third party service provider (“Vendor”) as selected by Financial Institution, and that both the Vendor and the Service are subject to change from time to time without notice to you. You further acknowledge, agree, and stipulate that the Vendor is an independent contractor providing software and data transmission services and is not the agent of you or Financial Institution. Neither the Financial Institution nor the Vendor is responsible for the actions or omissions of the other.

Article III. Additional Information about the Services.

- 3.1. Account Access.** Transfers and Payments made via the Service from your Account will be deducted on the date you instruct us to process them. If the date you schedule a Transfer or Payment falls on a weekend or holiday, we will process your transaction the next Transfer Day. We may refuse to act on your Transfer instructions or Payment request if sufficient funds, including funds available under any overdraft protection plan, are not available in your Account on the date you want us to make the Transfer or Payment.
- 3.2. Processing Fund Transfers.** We can process a Transfer until 7:00 p.m., Central Time (Standard or Daylight) on a Transfer Day. If you request a Transfer after the cutoff time, the Transfer will be processed the following Transfer Day.

You are fully obligated to us to provide sufficient funds for any Payments or Transfers you make or authorize to be made. If we complete a Payment or Transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction, you agree that we may reverse the transaction or offset the shortage with funds from any other deposit account(s) you have with us to the extent permissible by the applicable law and the terms of any other relevant agreements.

If there are insufficient funds in your Account to make a Transfer or Payment, we may refuse to make the Transfer or Payment or we may make the Transfer or Payment and overdraw your Account. In either event, you are responsible for any non-sufficient funds (“NSF”) charges that may apply.

- 3.3. Canceling Transfers or Payments.** You may cancel a pending Transfer or Payment transaction. However, to do so, we must receive your instruction to cancel prior to the cutoff time on the Transfer Day the transaction is scheduled to be processed. If we don’t receive your instruction to cancel a transaction before that time, we may process the transaction.

- 3.4. Transfer(s) from Savings/Money Market Deposit Accounts.** Federal regulations require us to limit, either by contract or in practice, the number of certain types of transfers from savings and money market deposit Accounts. You are limited to six (6) preauthorized electronic fund transfers per Account per statement cycle. Each fund transfer through these Services from your savings or money market deposit Account is counted as one of the six (6) transfers permitted each statement cycle.
- 3.5. Paperless Statements (E-Statements).** If your Hardware has the necessary capabilities, you may enroll in E-Statements and waive the mailing of your periodic paper statements by following the instructions to opt-in by use of the Services. Enrollment applies to ALL deposit Accounts where you have ownership.

Necessary capabilities to utilize this service, you will need to ensure that your computer meets the basic system requirements of: a) connectivity to the Internet; b) functioning Internet browser software such as Microsoft® Internet Explorer®, Mozilla Firefox®, or Apple® Safari®, or Google Chrome®, with a minimum of 256 bit encryption; and c) a valid email account, email address, and the ability to send and receive email messages; d) Adobe Reader® is required to view PDF files. This is a free program available from the Adobe® web site. Follow the download directions on the Adobe® web site to get your copy of Adobe Reader®. These specifications are fairly standard for most online banking programs.

A printer is also required if you want to print and retain paper copies of your statements. Upon enrollment, you will no longer receive paper statements for your account and your future account statements will end on the last day of each month. After your statement is available to you, you will receive an email message at the address you have provided to us. This message will notify you that your statement is available for viewing and retrieval at our secure online banking site, and it will also include any applicable legal and regulatory notices. Images of your cancelled checks from your current and your last statement cycle, if available, can also be accessed, viewed and retrieved through this site.

It will be incumbent upon you to visit our secure online banking site if you wish to view and/or retrieve your statements. It will also be your responsibility to notify us promptly of any change in your email address.

Under normal circumstances, statements may be accessed online for a period of no more than twenty-four (24) months, or in the event that an Account was opened more recently than two years ago, from the date the account was opened. Cancelled check images may be accessed online from your current and your last statement cycle. Access to cancelled check images will also be limited on an item-by-item basis to those checks which are returned to us through the banking system in either paper or electronic image format, which in turn will enable us to provide you with an item image. You will still have the option to request a paper statement or a cancelled check copy directly from the bank. Additional fees may apply.

You may cancel E-Statements at any time by sending a written request to F&M Bank, P.O. Box 1208, Galesburg, IL 61402-1208 or call us at 309-343-7141 or 1-877-343-7141. If you cancel the use of E-Statements, you will resume receiving paper statements for your account(s). For some types of accounts, fees or charges may apply for paper statements.

- 3.6. E-Mails.** The Financial Institution will not immediately review e-mail that you send. Therefore, you should not rely on e-mail if you need to communicate to the Financial Institution immediately. For example, if you need to stop payment on a check, to report a lost or stolen card, or to report an unauthorized transaction from one of your accounts, you should contact the Financial Institution immediately by calling (309)343-7141. The Financial Institution will not take actions based on your e-mail requests until the Financial Institution actually reviews your message and has a reasonable opportunity to act.
- 3.7. Overdrafts: Order of Payments, Transfers, and Other Withdrawals.** If funds are withdrawn from any of your accounts by means of electronic funds transfers, other than through Online Banking on the same business day as an Online Banking transaction, and if the account contains insufficient funds to enable both the electronic funds transfer and the Online

Banking transfer to be made, then the electronic funds transfer will have priority and the Online Banking transfer will be refused or will result in an overdraft on your account. This is at the Financial Institution's sole discretion.

3.8. Bill Payment Service. You can arrange, at your option, for the payment of your current, future and recurring bills from your designated Bill Pay Account. For Bill Payment Service, your Payee list may include utility companies, merchants, financial institutions, insurance companies, individuals, etc. within the United States whom you wish to pay through Bill Payment Service. You must include the full name of the Payee and a complete mailing address and telephone number for each Payee, along with your account number with the Payee, the amount of the Payment, and whether the Payment is recurring. The Financial Institution reserves the right to decline to make Payments to certain persons and entities. You agree that any Payment for taxes, Payments that are court-ordered, government payments and Payments outside of the United States are prohibited and you agree that you will not attempt to use the Service to make these types of Payments. On recurring Payments, it is the responsibility of you or your designated authorized users to update Payee account information as necessary to ensure receipt of payment. Payments are posted against your ledger balance, plus the available credit on your overdraft protection, if any, or other line of credit.

3.8.1. You may schedule Payments to be initiated on a future date, or on the same date of each month. If the transaction shows an In Process status, then the Payment cannot be modified or deleted. Although you can enter Payment information through the Service twenty-four (24) hours a day, seven (7) days a week, the Financial Institution only initiates a Payment on Business Days. Funds must be available in your Account on the scheduled payment date. We may make the Payment either by transferring funds electronically to the Payee or by mailing the Payee a check. Funds will be deducted from your Account on the same Business Day for Electronic Payments. Payments made by check will be deducted from your Account when the check clears your Account. If you direct the initiation of a Payment to occur on a day other than a Business Day, it will be initiated on the following Business Day. The Bill Payment Service will indicate whether a Payee is paid electronically or by check.

When you create a new Payee in the Bill Payment service, it has a temporary status until we have had sufficient time to set up the account, and for your business Payees, to verify information about your account. You should schedule a Payment to a new Payee at least five (5) Business Days before any Payment due date, to allow us time to set up the Payee and verify information about your account with the Payee. Financial Institution is not liable for any service fees or late charges levied against you due to postal delays or processing delays by the Payee. There is no limit on the number of Payees or number of Payments that may be authorized. The maximum per Payment amount is \$9,999.99 for check Payments and the minimum per Payment amount is \$0.01; provided, that the Financial Institution may change these limits from time to time, in its sole discretion, without notice to you. Electronic Payments are subject to the availability of sufficient funds in the designated checking Account.

For all subsequent Payments, you agree to allow at least three (3) Business Days for Electronic Payments and at least five (5) Business Days for check Payments between the date you schedule a Payment to be initiated and the Payment due date (that is, the due date shown on your invoice or provided in your agreement with the Payee, not taking into account any applicable grace period). In no event will Financial Institution be responsible for any late fees, finance charges or other actions taken by the Payee, regardless of when you initiate the Payment.

When you schedule a Bill Payment that will be made by check, you authorize us to issue a check drawn on your qualified designated checking Account for the requested amount. If sufficient funds are not available in your designated Account when the check is presented for payment, we may refuse to honor the check and return it unpaid. At our sole discretion, we may elect to pay the check regardless of the insufficient funds. In either event, your qualified designated Account will be charged our then current fee for processing insufficient items, whether the check is paid or returned, as applicable. You are responsible for any loss or penalty that you may incur due to a lack of sufficient funds or other conditions that may prevent the withdrawal of funds from your Account.

3.8.2. If Payment is to be made electronically and your Account does not have sufficient funds to make a Payment as of the date the transfer or Payment is attempted or scheduled to be made, the Transfer or Payment may be canceled and no further attempt will be made by Financial Institution to make the Transfer or Payment or notify you. Financial Institution shall have no obligation or liability if it does not complete a Transfer or Payment because

there are insufficient funds in your account to process a transaction. In all cases, you are responsible for either making alternate arrangements for the Payment or rescheduling the Payment through the Service. In the case of the Financial Institution canceling an electronic item, *all* scheduled payments will be canceled.

3.8.3. Recurring Payments and Transfers are those made for the same amount, on the same date, on a weekly, bi-monthly, monthly basis, etc. Once started, recurring Payments and Transfers will be made automatically until you delete the Payment or Transfer or upon expiration. If the Payment is not a recurring Payment, it will be a “one-time Payment.” One-time Payments do not recur and are not made until you enter the Payee and amount of the current bill and submit the Payment. A recurring Bill Payment Service transaction that you want deleted must be deleted or the next Payment date changed five (5) Business Days before the current transaction date.

A stop payment cannot be placed on an Electronic Bill Payment transaction once issued. However, a stop payment can be placed on a Bill Payment transaction by Bill Payment check any time prior to 4:00 p.m. Central Time on the day such check is scheduled for final payment.

There is no fee for deleting an electronic Payment initiated through Bill Payment; however a fee will apply for a stop on a Bill Payment check.

In the event a Payment is returned to us for any reason, you authorize us, in our sole and absolute discretion, to either research and correct the Payment information or to void the Payment and re-credit your Account.

Article IV. Limitations.

Your use of these Services is subject to the following limitations:

- 4.1 Dollar Amount.** There may be a limit on the dollar amount of the transactions you can make using these Services, and these limits are subject to change, without notice to you, from time to time. Payment can only be made with U.S. currency.
- 4.2 Frequency.** In addition to the Federal banking regulations that restrict the number of transfers and withdrawals, the Financial Institution may impose limits on the number of transactions you can make using these Services within a specified time period. These limits are subject to change, without notice to you, from time to time.
- 4.3 Foreign Transactions.** No Payments may be made to Payees outside the United States.
- 4.4 Additional Limitations.** Additional limitations may be contained in this Agreement or the applicable Service Agreement. Your ability to initiate transactions may also be limited by the terms of other agreements you have with the Financial Institution or by applicable law.

Article V. Parties' Responsibilities.

5.1 Your Responsibility.

5.1.1. Physical and Electronic Security. You are solely responsible for providing for and maintaining the physical, electronic, procedural, administrative, and technical security of data and systems in your possession or under your control. We are not responsible for any computer viruses (including, without limitation, programs commonly referred to as “malware,” “keystroke loggers,” and/or “spyware”), problems or malfunctions resulting from any computer viruses, or any related problems that may be associated with the use of an online system. Any material downloaded or otherwise obtained is obtained at your own discretion and risk, and Financial Institution is not responsible for any damage to your Hardware, Software, or operating systems or for loss of data that results from the download of any such material, whether due to any computer virus or otherwise. You are solely responsible for maintaining and applying anti-virus software, security patches, firewalls, and other security measures with respect to your operating systems, and for protecting, securing, and

backing up any data and information stored in or on your operating systems. Financial Institution is not responsible for any errors or failures resulting from defects in or malfunctions of any Software installed on your operating systems.

- 5.1.2.** You acknowledge and agree that it is your responsibility to protect yourself and to be vigilant against e-mail fraud and other internet frauds and schemes (including, without limitation, fraud commonly referred to as “phishing” or “pharming”). You agree to educate your representative(s), agents, Users, Subusers, and employees as to the risks of such fraud and to train such persons to avoid such risks. You acknowledge that Financial Institution will never contact you by e-mail in order to ask for or to verify Account numbers, Security Devices, or any sensitive or confidential information. In the event you receive an e-mail or other electronic communication that you believe, or have reason to believe, is fraudulent, you agree that you shall not open or respond to the e-mail, provide any information to the e-mail sender, click on any links in the e-mail, download or open any attachments, or otherwise comply with any instructions in the e-mail. To the extent allowed by law, you agree that Financial Institution is not responsible for any losses, injuries, or harm incurred by you as a result of any electronic, e-mail, or internet fraud.
- 5.1.3.** In the event of a breach of any Security Procedure, you agree to assist Financial Institution in determining the manner and source of the breach. Such assistance shall include, but shall not be limited to, providing Financial Institution or Financial Institution’s agent access to your Hardware, Software, hard drive, storage media and devices, systems and any other equipment or device that was used in connection with the breach of the Security Procedure. You further agree to provide to Financial Institution any analysis of such equipment, device, or software or any report of such analysis performed by you, your agents, law enforcement agencies, or any other third party. Your failure to assist Financial Institution shall be an admission by you that the breach of the Security Procedure was caused by a person who obtained access to your transmitting facilities or who obtained information facilitating the breach of the Security Procedure from you and not from a source controlled by Financial Institution.
- 5.1.4. Reporting Unauthorized Transactions.** You should notify us immediately if you believe your Access Codes or any Access Devices have been lost or stolen, that someone has gained access to the Security Procedure, or that someone has transferred or may transfer money from your Account without your permission or if you suspect any fraudulent activity on your Account. To notify us, call us at the number provided in Section 9.6 between 8:00 a.m. to 4:30 p.m. Central Time during a Business Day.
- 5.1.5. Duty to Inspect.** You shall regularly inspect all transaction history, reports, journals, and other material evidencing the activity of the Services. You must report all errors to the Financial Institution by the close of business on the banking day following the day on which the Service(s) is rendered. You must report all other errors within a reasonable time not to exceed thirty (30) days from the date that the error is made. Failure of you to promptly report errors within such specified time shall preclude you from asserting against the Financial Institution any claims arising from the error or any loss caused by the error.
- 5.1.6. Financial Information.** Financial Institution may from time to time request information from you in order to evaluate a continuation of the Service(s) to be provided by Financial Institution hereunder and/or adjustment of any limits set by this Agreement or any applicable Service Agreement. You agree to provide the requested financial information immediately upon request by Financial Institution, in the form required by Financial Institution. If you refuse to provide the requested financial information, or if Financial Institution concludes in its sole discretion that the credit risk of continuing to offer the Services to you is unacceptable, Financial Institution may terminate the Services according to the provisions hereof. You authorize Financial Institution to investigate or reinvestigate at any time any information provided by you in connection with this Agreement or any applicable Service Agreement or any Services and to request reports from credit bureaus and reporting agencies for such purpose.
- 5.1.7. Deadlines.** You shall deliver or transmit all data or information to Financial Institution by the deadline(s) specified in this Agreement or any applicable Service Agreement and the Operating Instructions (as defined in

section 5.1.9, below). Financial Institution shall have no obligation to process data or perform the Service if the data is not received by the Financial Institution by the specified deadline.

5.1.8. Payment for Services.

- .3. You authorize the Financial Institution to deduct all applicable Monthly Fees from any Account enrolled in Online Banking. If you close the Account(s) associated with the Service, Fees may be deducted from any other Account you maintain with us or any of our affiliates. - .4. In addition to the Service fees, you agree to pay for all taxes, tariffs and assessments levied or imposed by any government agency in connection with the Service, this Agreement, and/or the software or equipment made available to you (excluding any income tax payable by Financial Institution). You are also responsible for the costs of any communication lines and any data processing charges payable to third parties.

5.1.9. Required Deposit Balance. You agree to maintain the minimum collected balance ("Required Deposit Balance") in the amount and in the account specified in the Service Agreement establishing the terms and conditions of the specific Services selected by you and the set of detailed instructions ("Operating Instructions") establishing the procedures and operating instructions governing the Service.

5.1.10. Data and Information Supplied by You. You shall transmit or deliver data and other information in the format and on the media as provided for in the Service Agreement and the Operating Instructions if applicable or as otherwise required by the Financial Institution in conjunction with rendering the Service(s) selected by you. You shall have the sole responsibility of ensuring the accuracy and correctness of the data transmitted. You acknowledge and agree that Financial Institution shall not be required to examine the data for correctness and the Financial Institution shall not have any responsibility for detecting errors in the data transmitted by you. The data transmitted by you must be legible, correct and complete. Financial Institution shall not process, and Financial Institution shall not be liable to you for failure to process, the data if it is not in the format specified by Financial Institution or if the data is incomplete. Financial Institution shall not be liable for errors or omissions caused by data that is rejected as the result of your failure to provide the data in accordance with the standards specified in the Agreement or any applicable Service Agreement and the Operating Instructions.

5.1.11. Remotely Created Checks. If you use a Service wherein you create or deposit a Remotely Created Check, as that term is defined in Federal Reserve Board Regulation CC, you warrant to Financial Institution that the person on whose account the Remotely Created Check is drawn authorized the issuance of the check in the amount stated on the check and to the payee stated on the check.

PERIODIC STATEMENTS. If your account is subject to receiving a monthly statement, all EFT transactions will be reported on it. If your account is subject to receiving a statement less frequently than monthly, then you will continue to receive your statement on that cycle, unless there are EFT transactions, in which case you will receive a monthly statement. In any case, you will receive your statement at least quarterly.

NOTICE OF VARYING AMOUNTS. If you have arranged for the automatic periodic payments to be deducted from your checking or savings account and these payments vary in amount, you will be notified by the person or company you are going to pay ten days prior to the payment date of the amount to be deducted.

OUR LIABILITY FOR FAILURE TO STOP PREAUTHORIZED TRANSFER PAYMENTS. CONSUMER LIABILITY. Tell us at once if you believe your ATM card or debit card or internet banking access code has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. If you tell us within two (2) business days after you learn of the loss or theft of your ATM card or debit card or PIN, you can lose no more than fifty dollars (\$50) if someone used your ATM card or debit card or PIN without your permission. If you do not tell us within two (2) business days after you learn of the loss or theft of your ATM card or debit card or PIN and we can prove we could have stopped someone from using your ATM card or debit card or PIN without your permission if you have given us notice, you can lose as much as five hundred dollars (\$500).

Also, if your statement shows transfer you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was transmitted to you, you may not receive back any money you lost after the sixty (60) days, and therefore, you could lose all the money in your account (plus maximum overdraft line of credit, if applicable), if we can prove that we could have stopped someone from taking the money had you given us notice in time. If a good reason, (such as a long trip or hospital stay) keeps you from giving the notice, we will extend the time periods.

CONSUMER LIABILITY FOR UNAUTHORIZED TRANSACTIONS INVOLVING DEBIT CARD. The limitations on your liability for unauthorized transactions described above generally apply to all electronic fund transfers. However, different limitations apply to certain transactions involving your card with the MasterCard® branded card.

If you promptly notify us about an unauthorized transaction involving your card and the unauthorized transaction took place on your MasterCard® branded card, including any PIN-based ATM or POS transactions, zero liability will be imposed on you for the unauthorized transaction. In order to qualify for the zero liability protection, you must have exercised reasonable care in safeguarding your card from the risk of loss or theft and, upon becoming aware of such loss or theft, promptly reported the loss or theft to us.

If we need more time, however, we may take up to forty-five (45) days (ninety (90) days for new accounts and foreign initiated or Point of Sale transfers) to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days (twenty (20) business days for new accounts) for the amount which you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or questions in writing and we do not receive it within ten (10) business days, we may not credit your account. The extended time periods for new accounts apply to all electronic fund transfers that occur within the first thirty (30) days after the first deposit to the account is made, including those for foreign initiated or Point of Sale transactions.

NOTICE OF ATM SAFETY PRECAUTIONS

SAFETY PRECAUTIONS FOR ATM TERMINAL USAGE. Please keep in mind the following basic safety tips whenever you use an ATM:

- Have your ARM card or debit card ready to use when you reach the ATM. Have all your forms ready before you get to the machine. Keep some extra forms (envelopes) at home for this purpose.
- If you are new to ATM usage, use machines close to or inside a financial institution until you become comfortable and can conduct your usage quickly.
- If using an ATM in an isolated area, take someone else with you if possible. Have them watch from the car as you conduct your transaction.
- Do not use ATMs at night unless the area and machine are well-lighted. If the lights are out, go to a different location.
- If someone else is using the machine you want to use, stand back or stay in your car until the machine is free. Watch out for suspicious people lurking around ATMs, especially during the time that few people are around.
- When using the machine, stand so you block anyone else's view from behind.
- If anything suspicious occurs when you are using a machine, cancel what you are doing and leave immediately. If going to your car, lock your doors.
- Do not stand at the ATM counting cash. Check that you received the right amount later in a secure place, and reconcile it to your receipt then.
- Keep your receipts and verify transactions on your account statement. Report errors immediately. Do not leave receipts at an ATM location.
- Report all crimes to the operator of the ATM and to local law enforcement officials immediately.
